David G Weissman, PhD.
dgweissman@gmail.com
davidweissmanphd.com

CURRENT POSITION

Postdoctoral Fellow, Stress and Development Lab, Harvard University 2018-present

EDUCATION

University of California – Davis
Doctor of Philosophy, Psychology, Developmental: 2018

Alliant International University
Single Subject Teaching Credential: Science, Biology: 2009

University of Southern California
Bachelor of Arts in Neuroscience, Magna Cum Laude: 2008

FUNDING

K99MH127248
National Institute of Mental Health: K99/R00
"Emotional Awareness: An integrative neural mechanism linking childhood trauma with psychopathology"
2021-2026, Total Costs: $974,350 Role: Principal Investigator

Prior Funding
Sackler Scholars Programme Research Grant,
April 2019-March 2020, $10,000

UC Consortium for the Developmental Science of Adolescence Seed Grant,
February 2016- July 2017, $7500, Co-investigators: Amanda Guyer, Adriana Galvan, Sarah Tashjian

Predoctoral Training Consortium in Affective Science Traineeship,
July 2016-June 2018, NIH Grant 5T32MH020006-18.

CONFERENCE PRESENTATIONS

° first authored by undergraduate or post-baccalaureate mentee

Weissman, D. G., Rubbani, S., DeCross, S. D., Kasparek, S. W., McLaughlin, K.A (2023, September) *Childhood violence exposure and neural mechanism of emotion generalization and differentiation.* Flux Congress, Santa Rosa, California.

Weissman, D. G., Rubbani, S., DeCross, S. D., Kasparek, S. W., McLaughlin, K.A (2023, April) *Childhood violence exposure and the role of interoceptive accuracy and neural activity during interoception in transdiagnostic psychopathology in adolescence*. Society for Affective Science Annual Conference, Long Beach, California.

Weissman, D. G., Rubbani, S., DeCross, S. D., Kasparek, S. W., McLaughlin, K.A. (2022, September) *Low interoceptive accuracy as a neural mechanism linking childhood trauma with adolescent psychopathology.* Flux Congress, Paris, France.

Weissman, D. G., Hatzenbuehler, M. L., Cikara, M., Barch, D. M., McLaughlin, K. A. (2021, September) *Socioeconomic disparities in adolescent hippocampal volume and internalizing problems vary based on the cost of living and antipoverty programs of U.S. states.* Flux Congress, Virtual Conference.

Weissman, D. G., Rosen, M. L., Sheridan, M. A., Sambrook, K. A., McLaughlin, K. A., (2021, May) *Dimensions of childhood adversity and neural response to threat cues*. Society of Biological Psychiatry Annual Meeting, Virtual Conference. https://doi.org/10.1016/j.biopsych.2021.02.169

Weissman, D. G., Rodman, A. M., Kasparek, S. W., Rosen, M. L., Sheridan, M. A., & McLaughlin, K. A. (2021, April). Affective mechanisms of risk and resilience to stress from the COVID-19 pandemic. Society for Research in Child Development Biennial Meeting, Virtual Conference

Weissman, D. G., McLaughlin, K. A., (2020, December). *Neural mechanisms of stress sensitization to internalizing psychopathology.* Society for Epidemiological Research Annual Meeting, Virtual Conference.

Susman, E.S.°, **Weissman D. G.**, McLaughlin, K.A. (2020, June). *The influence of emotion awareness on neural function during emotion regulation.* Mind and Life Summer Research Institute, The Garrison Institute, Garrison, NY. Preregistration: osf.io/7kf43

Kim, S. G.°, **Weissman, D. G**., McLaughlin, K. A., (2020, May) *Parental buffering of psychopathology development following childhood trauma exposure: The importance of child-perceived parental support*. Association for Psychological Science Virtual Poster Showcase

Weissman, D. G., Hastings, P. D., Robins, R. W., Guyer, A. E., (2019, March) *Consequences of poverty and community crime exposure on Mexican-American adolescents' mental health.* Society for Research on Child Development Biennial Meeting, Baltimore, MD.

Weissman, D. G., Guyer, A. E., Robins, R. W., Hastings, P. D., (2019, March) *Adaptive calibration of Mexican-origin adolescents' brain-autonomic coupling by prior threat exposure.* Society for Research on Child Development Biennial Meeting, Baltimore, MD.

Spivey, B.°, **Weissman, D. G.**, Guyer, A. E. (2017, November) *Associations between hippocampal volume and environmental stressors.* Annual Biomedical Research Conference for Minority Students, Phoenix, AZ.

Weissman, D. G., Mendes, W. B. (2017, October) *Patterns and individual differences in autonomic balance during social evaluation.* American Psychosomatic Society Mid-year meeting, Berkeley, CA.

Weissman, D. G., Robins, R. W., Hastings, P. D., Guyer, A. E. (2017, April) *Effects of depression on neurovisceral integration during emotion processing in Mexican-origin youth.* Society for Research on Child Development Biennial Meeting, Austin, TX.

Weissman, D. G., Robins, R. W., Hastings, P. D., Guyer, A. E. (2017, April) *Income improvement across adolescence predicts increased default network connectivity in Mexican-origin youth.* Society for Research on Child Development Biennial Meeting, Austin, TX.

Weissman, D. G., Gelardi, K. L., Conger, R. D., Robins, R. W., Hastings, P. D., Guyer, A. E. (2016, September) *Community crime exposure, neural response to sad faces, and adolescent externalizing problems*. Flux Congress, St. Louis, MO.

Weissman, D. G., Hastings, P.D., Robins, R. W., Guyer, A. E. (2016, April). *Exposure to community crime and Mexican-origin adolescents' neural processing of emotional faces*. Society for Research in Adolescence Biennial Meeting, Baltimore, MD.

Weissman, D. G., Schriber, R. A., Krafft, C., Robins, R. W., Conger, R. D., Hastings, P. D. Guyer, A. E. (2015, March) *Nucleus accumbens-based resting state connectivity networks: associations with substance use in Mexican-origin adolescents.* Society for Research on Child Development Biennial Meeting, Philadelphia, PA.

Weissman, D. G., Schriber, R. A., Krafft, C., Robins, R. W., Conger, R. D., Hastings, P. D. Guyer, A. E. (2014, May). *Differences in nucleus accumbens connectivity associated with adolescent substance use*. Association for Psychological Sciences Annual Meeting, San Francisco, CA.

INVITED TALKS

State-level macro-economic factors moderate the association of low income with brain structure and mental health in U.S. children. University of Washington Human Neuroscience Seminar. November 8, 2023.

Job Market Panel. UC Davis Center for Poverty Research Graduate Student Retreat. September 19, 2023

Stimulus and Response: Theoretical Advances in Early Adversity Research. Diversity in Clinical Psychology Graduate Seminar, Florida State University. Virtual presentation. October 18, 2022.

Stimulus and Response: Theoretical Advances in Early Adversity Research. Clinical Affective Neuroscience Laboratory, University of California – San Francisco. Virtual presentation. June 1, 2022.

Stimulus and Response: Improving Theoretical Rigor in Early Adversity Research. Youth Development Institute, University of Georgia. Virtual presentation. November 10, 2021.

Childhood trauma, emotions, and mental health: What the science of childhood adversity can tell us about how to support youth mental health. Believe Conference. Child Advocacy Center of the Finger Lakes. Virtual presentation. November 3, 2021.

Trauma and the teenage brain. Massachusetts Grandparents Raising Grandchildren support group facilitator meeting. Virtual presentation. August 1, 2021.

Neurodevelopmental Mechanisms Linking Childhood Trauma with Psychopathology. Harvard Psychiatry Fellows first year seminar. McClean Hospital, Cambridge, MA. October 31, 2019.

TEACHING EXPERIENCE

Harvard University, Cambridge, MA — September 2018-present
Postdoctoral Fellow
Course: Laboratory in Developmental Psychopathology (Stress and Development Lab meeting course)
Guest Lecturer
Course: Child and Adolescent Psychiatry Fellows Residency Training Program

UC Davis Psychology Department, Davis, CA — September 2015 - March 2016
Teaching Assistant
Courses: PSC 175: Genius, Creativity, and Leadership,
PSC 142/HDE 102: Social and Emotional Development

Mount Tamalpais College, San Rafael, CA — January-April 2016
Instructor in Psychology at San Quentin Prison — January-May 2023 (planned)
Courses: PSY 221: General Psychology,
PSY 255 - Child Growth and Development

East Bay Academy for Young Scientists. Berkeley, CA — September 2011 – June 2013
Public Education Specialist

Roots International Academy. Oakland, CA — August 2008 – June 2011
Teacher, 7th Grade Science

AWARDS AND HONORS

Harvard Brain Science Initiative Young Scientist Transition Award: 2021

Society for Research on Child Development Biennial Meeting Travel Award: 2017

University of California-Davis Center for Poverty Research Graduate Student Fellowship: 2014, 2016

National Science Foundation Graduate Research Fellowship, Honorable Mention: 2014

University of California-Davis Provost's First Year Fellowship: 2013

PREVIOUS RESEARCH EXPERIENCE

Laboratories of Paul Hastings and Amanda Guyer, June 2013- September 2018

UC Davis Center for Mind and Brain

Laboratory of Wendy Mendes, UC San Francisco June 2017-September 2017

Laboratory of Silvia Bunge UC Berkeley Psychology August 2012- May 2013

Laboratory of Adrian Raine, USC Psychology August 2005- December 2006

SCIENTIFIC CONSULTING/ADVISING

Chorus Wellnes Inc. April 2022-March 2023
Scientific Advisor

OTHER COMMUNITY WORK

UC Davis Department of Human Ecology Summer High School Research Program June 2017
Mentor

Oliver Wendell Holmes Junior High School. Davis, CA August 2014 – October 2015
Cross Country Coach, Basketball Coach

SERVICE

Mentor for the Prospective PhD and RA Event in Psychology (PPREP), Harvard

Organizing Committee for the Innovators in Cognitive Science seminar series: https://innovatorsincogneuro.github.io/

Psychology Ambassador to the Graduate Student Association, UC Davis

Founding member of the Psychology Graduate Student Diversity Committee, UC Davis

Mentor for the UC Davis Summer Poverty Research Engagement Experience

Peer Reviewing for 2019 Society for Research in Child Development Biennial Meeting

Ad Hoc Peer Reviewer for National Science Foundation CAREER Awards (2021, 2023)

Peer Review: https://publons.com/researcher/1457644/david-weissman/peer-review/

PROFESSIONAL ORGANIZATIONS

Association for Psychological Science: 2014-present

American Psychological Association: 2013-present

Society for Affective Science: 2022-present

Society for Research on Adolescence: 2015-present

Society for Research in Child Development: 2014-present

The International Congress for Integrative Developmental Cognitive Neuroscience (Flux Society): 2014-present

University of California Consortium on the Developmental Science of Adolescence: 2015-2018

TRAININGS AND CONFERENCES ATTENDED

Mental Health First Aid Training, Completed November 2023
Flux Congress, September 2023
Society for Affective Science Annual Conference, April 2023
Flux Congress, September 2021
Society for Biological Psychiatry, April 2021
Society for Research in Child Development Biennial Meeting, April 2021
Society for Epidemiological Research Annual Meeting, December 2020
Flux Virtual Congress, September 2020
Society for Research in Child Development Biennial Meeting, Baltimore, MD: March, 2019
American Psychosomatic Society Mid-year meeting, Berkeley, CA: October, 2017
University of California Consortium on the Developmental Science of Adolescence Summer Institute, Los Angeles, CA: August 2017
Society for Research in Child Development Biennial Meeting, Austin, TX: April, 2017
Society for Research on Adolescence Biennial Meeting, Baltimore, MD: April, 2016
University of California Consortium on the Developmental Science of Adolescence, Berkeley, CA: August 2015
Society for Research in Child Development Biennial Meeting, Philadelphia, PA: March, 2015
Flux Congress, Hollywood, CA: September, 2014
Association for Psychological Sciences Annual Meeting. San Francisco, CA: May, 2014.
National Institute of Health Analysis of Functional NeuroImaging (AFNI) Bootcamp. Bethesda, MD: December, 2013.
