Orcid: <https://orcid.org/0000-0001-9966-3338>

CURRENT POSITION

Assistant Professor, Department of Psychology, California State University Dominguez Hills

EDUCATION

University of California – Davis

Doctor of Philosophy, Psychology, Developmental: 2018

Alliant International University

Single Subject Teaching Credential: Science, Biology: 2009

University of Southern California

Bachelor of Arts in Neuroscience, Magna Cum Laude: 2008

FUNDING

R16GM154604

National Institute of General Medical Science

“Emotional granularity and interoceptive accuracy: Affective skills linking dimensions of childhood adversity with adolescent stress vulnerability”

August 2024-June 2028, Total Costs: \$735,000, Role: Principal Investigator

Prior Funding

2024-25 CSUDH Research, Scholarship, and Creative Activity (RSCA) Award

“Examining affective processes contributing to CSUDH students’ mental health vulnerability and resilience following childhood adversity”

Total Costs: \$7,987 Role: Principal Investigator

K99MH127248

National Institute of Mental Health: K99

“Emotional Awareness: An integrative neural mechanism linking childhood trauma with psychopathology”

April 2022-March 2024, Total Costs: \$245,538 Role: Principal Investigator

Sackler Scholars Programme Research Grant,

April 2019-March 2020, Total Costs: \$10,000

UC Consortium for the Developmental Science of Adolescence Seed Grant,

February 2016- July 2017, \$7500, Co-investigators: Amanda Guyer, Adriana Galvan, Sarah Tashjian

Predoctoral Training Consortium in Affective Science Traineeship,

July 2016-June 2018, NIH Grant 5T32MH020006-18.

INVITED TALKS

Can public policy interventions reduce inequality in neurodevelopment and mental health? UCLA Developmental Forum. May 12, 2026

Emotion Expertise in Developmental Psychopathology. Aria Colloquium. November 3, 2025

Childhood Adversity, Emotions, and Mental Health in CSUDH Students. CSUDH Psychology Toro Talks. October, 13, 2025

Emotional Awareness: Associations with Stress Sensitivity and Resilience. CIEAB - International Online Congress on Stress, Anxiety, and Burnout. August 19, 2025

Adversity and Resilience: Key Findings on Adolescent Health From the ABCD Study. ABCD Study Webinar. December 2, 2024

Poverty's Impact on the Developing Brain. Louisiana Court Appointed Special Advocates (CASA) Webinar Series. September 26, 2024

Can public policy interventions reduce inequality in neurodevelopment and mental health? Evidence from the ABCD Study. Community Anti-Drug Coalitions of America (CADCA) Mid-Year Training Institute, Chicago, IL. July 17, 2024

Keynote: Can public policy interventions reduce inequality in neurodevelopment and mental health? International Conference on Urban Mental Health, Amsterdam, Netherlands. March 22, 2024.

State-level macro-economic factors moderate the association of low income with brain structure and mental health in U.S. children. University of Washington Human Neuroscience Seminar. November 8, 2023.

Job Market Panel. UC Davis Center for Poverty Research Graduate Student Retreat. Davis, CA, September 19, 2023

Stimulus and Response: Theoretical Advances in Early Adversity Research. Diversity in Clinical Psychology Graduate Seminar, Florida State University. Virtual presentation. October 18, 2022.

Stimulus and Response: Theoretical Advances in Early Adversity Research. Clinical Affective Neuroscience Laboratory, University of California – San Francisco. Virtual presentation. June 1, 2022.

Stimulus and Response: Improving Theoretical Rigor in Early Adversity Research. Youth Development Institute, University of Georgia. Virtual presentation. November 10, 2021.

Childhood trauma, emotions, and mental health: What the science of childhood adversity can tell us about how to support youth mental health. Believe Conference. Child Advocacy Center of the Finger Lakes. Virtual presentation. November 3, 2021.

Trauma and the teenage brain. Massachusetts Grandparents Raising Grandchildren support group facilitator meeting. Virtual presentation. August 1, 2021.

Neurodevelopmental Mechanisms Linking Childhood Trauma with Psychopathology. Harvard Psychiatry Fellows first year seminar. McClean Hospital, Cambridge, MA. October 31, 2019.

CONFERENCE PRESENTATIONS

*first authored by student mentee

*Martinez, P., Weissman, D. G. (2026, June) *Dimensions of Childhood Adversity and Emotion Expertise in College Students.* Bay Area Affective Science Meeting, San Francisco, CA

*Ramirez, J. I., Weissman, D. G., Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A. (2026, June) *A data-driven analysis of the emotional structure of negative affective stimuli across Violence-exposed populations.* Bay Area Affective Science Meeting, San Francisco, CA

*Pasquel, E., Weissman, D. G. (2026, May). *Growing up Alongside Adversity: Effects of Childhood Adversity on Pubertal Development Among Adolescents in the ABCD Study.* Western Psychological Association Annual Convention, Tacoma, Washington.

*Camarena-Rios, N., Erazo, G., Martinez, P., Weissman, D. G. (2026, March) *Disentangling influences on heartbeat perception and its relation to alexithymia.* Society for Affective science Annual Conference, Pittsburgh, Pennsylvania.

*Bertran, M., Carolus, A., McLaughlin, K. A., Weissman, D. G. (2026, March) *Parental emotional support as a predictor of emotion expertise and psychopathology: A 2-sample replication study.* Society for Affective science Annual Conference, Pittsburgh, Pennsylvania.

Weissman, D. G. (2025, November). *Poverty, dimensions of childhood adversity, and neurodevelopment.* Mini-symposium on Early life stress. Society for Neuroscience. Neuroscience 2025, San Diego, CA.

*Marroquin, K., Weissman, D. G., Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A. (2025, September). *Brain Structural Alterations as a Mechanism Linking Childhood Violence Exposure and Substance Abuse.* Flux Congress, Dublin, Ireland

*Pasquel, E., Weissman, D. G., (2025, May). *The association between childhood violence exposure and adolescent pubertal development.* Western Psychological Association Annual Convention, Las Vegas, NV.

Weissman, D. G. (2025, August) *Emotional Awareness: Associations with Stress Sensitivity and Resilience.* CIEAB - International Online Congress on Stress, Anxiety, and Burnout. Virtual Conference

*Bertran, M., Weissman, D. G. (2025, March) *Parental Emotional Support as a predictor of emotion expertise and psychopathology in adulthood.* Society for Affective Science Annual Conference, Portland, Oregon.

*Camarena-Rios, N., Martinez, P., Weissman, D. G. (2025, March) *Evaluating a novel cardiac interoception task and its association with emotional awareness and mental health in college students.* Society for Affective Science Annual Conference, Portland, Oregon.

*Suon, A. (graduate student), Weissman, D. G., Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A (2025, April) *Investigating the link between heart rate variability, interoceptive accuracy, and resilience to violence exposure in adolescence*. Society for Affective Science Annual Conference, Portland, Oregon.

Weissman, D.G. (2025, March) *Emotion granularity: a potential neural mechanism of resilience to childhood violence exposure*. Society for Affective Science Annual Conference, Portland, Oregon.

Weissman, D.G. (2024, July) *Can public policy interventions reduce inequality in neurodevelopment and mental health? Evidence from the ABCD Study*. Community Anti-Drug Coalitions of America (CADCA) Mid-Year Training Institute, Chicago, Illinois.

Weissman, D.G. (2024, March). *Keynote: Can public policy interventions reduce inequality in neurodevelopment and mental health?* International Conference on Urban Mental Health, Amsterdam, Netherlands

Weissman, D. G., Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A (2023, September) *Childhood violence exposure and neural mechanism of emotion generalization and differentiation*. Flux Congress, Santa Rosa, California.

Weissman, D. G., Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A (2023, April) *Childhood violence exposure and the role of interoceptive accuracy and neural activity during interoception in transdiagnostic psychopathology in adolescence*. Society for Affective Science Annual Conference, Long Beach, California.

Weissman, D. G., Rubbani, S., DeCross, S. D., Kasperek, S. W., McLaughlin, K.A. (2022, September) *Low interoceptive accuracy as a neural mechanism linking childhood trauma with adolescent psychopathology*. Flux Congress, Paris, France.

Weissman, D. G., Hatzenbuehler, M. L., Cikara, M., Barch, D. M., McLaughlin, K. A. (2021, September) *Socioeconomic disparities in adolescent hippocampal volume and internalizing problems vary based on the cost of living and antipoverty programs of U.S. states*. Flux Congress, Virtual Conference.

Weissman, D. G., Rosen, M. L., Sheridan, M. A., Sambrook, K. A., McLaughlin, K. A., (2021, May) *Dimensions of childhood adversity and neural response to threat cues*. Society of Biological Psychiatry Annual Meeting, Virtual Conference. <https://doi.org/10.1016/j.biopsych.2021.02.169>

Weissman, D. G., Rodman, A. M., Kasperek, S. W., Rosen, M. L., Sheridan, M. A., & McLaughlin, K. A. (2021, April). *Affective mechanisms of risk and resilience to stress from the COVID-19 pandemic*. Society for Research in Child Development Biennial Meeting, Virtual Conference

Weissman, D. G., McLaughlin, K. A., (2020, December). *Neural mechanisms of stress sensitization to internalizing psychopathology*. Society for Epidemiological Research Annual Meeting, Virtual Conference.

*Susman, E.S., Weissman D. G., McLaughlin, K.A. (2020, June). *The influence of emotion awareness on neural function during emotion regulation*. Mind and Life Summer Research Institute, The Garrison Institute, Garrison, NY. Preregistration: osf.io/7kf43

*Kim, S. G., Weissman, D. G., McLaughlin, K. A., (2020, May) *Parental buffering of psychopathology development following childhood trauma exposure: The importance of child-perceived parental support*. Association for Psychological Science Virtual Poster Showcase

Weissman, D. G., Hastings, P. D., Robins, R. W., Guyer, A. E., (2019, March) *Consequences of poverty and community crime exposure on Mexican-American adolescents' mental health*. Society for Research on Child Development Biennial Meeting, Baltimore, MD.

Weissman, D. G., Guyer, A. E., Robins, R. W., Hastings, P. D., (2019, March) *Adaptive calibration of Mexican-origin adolescents' brain-autonomic coupling by prior threat exposure*. Society for Research on Child Development Biennial Meeting, Baltimore, MD.

*Spivey, B., Weissman, D. G., Guyer, A. E. (2017, November) *Associations between hippocampal volume and environmental stressors*. Annual Biomedical Research Conference for Minority Students, Phoenix, AZ.

Weissman, D. G., Mendes, W. B. (2017, October) *Patterns and individual differences in autonomic balance during social evaluation*. American Psychosomatic Society Mid-year meeting, Berkeley, CA.

Weissman, D. G., Robins, R. W., Hastings, P. D., Guyer, A. E. (2017, April) *Effects of depression on neurovisceral integration during emotion processing in Mexican-origin youth*. Society for Research on Child Development Biennial Meeting, Austin, TX.

Weissman, D. G., Robins, R. W., Hastings, P. D., Guyer, A. E. (2017, April) *Income improvement across adolescence predicts increased default network connectivity in Mexican-origin youth*. Society for Research on Child Development Biennial Meeting, Austin, TX.

Weissman, D. G., Gelardi, K. L., Conger, R. D., Robins, R. W., Hastings, P. D., Guyer, A. E. (2016, September) *Community crime exposure, neural response to sad faces, and adolescent externalizing problems*. Flux Congress, St. Louis, MO.

Weissman, D. G., Hastings, P.D., Robins, R. W., Guyer, A. E. (2016, April). *Exposure to community crime and Mexican-origin adolescents' neural processing of emotional faces*. Society for Research in Adolescence Biennial Meeting, Baltimore, MD.

Weissman, D. G., Schriber, R. A., Krafft, C., Robins, R. W., Conger, R. D., Hastings, P. D. Guyer, A. E. (2015, March) *Nucleus accumbens-based resting state connectivity networks: associations with substance use in Mexican-origin adolescents*. Society for Research on Child Development Biennial Meeting, Philadelphia, PA.

Weissman, D. G., Schriber, R. A., Krafft, C., Robins, R. W., Conger, R. D., Hastings, P. D. Guyer, A. E. (2014, May). *Differences in nucleus accumbens connectivity associated with adolescent substance use*. Association for Psychological Sciences Annual Meeting, San Francisco, CA.

TEACHING EXPERIENCE

California State University, Dominguez Hills, Carson, CA January 2024-present

Assistant Professor

Courses: PSY 327: The Science of Emotion

PSY 351: Psychology of the Adolescent Experience

PSY 490: Senior Seminar

PSY 550: Seminar In Developmental Psychology

UC Davis Psychology Department, Davis, CA
Teaching Assistant
Courses: PSC 175: Genius, Creativity, and Leadership,
PSC 142/HDE 102: Social and Emotional Development

September 2015 - March 2016

Mount Tamalpais College, San Rafael, CA
Instructor in Psychology at San Quentin Prison
Courses: PSY 221: General Psychology,
PSY 255 - Child Growth and Development

January-April 2016

January-May 2023

East Bay Academy for Young Scientists. Berkeley, CA
Public Education Specialist

September 2011 – June 2013

Roots International Academy. Oakland, CA
Teacher, 7th Grade Science

August 2008 – June 2011

AWARDS AND HONORS

Harvard Brain Science Initiative Young Scientist Transition Award: 2021

Society for Research on Child Development Biennial Meeting Travel Award: 2017

University of California-Davis Center for Poverty Research Graduate Student Fellowship: 2014, 2016

National Science Foundation Graduate Research Fellowship, Honorable Mention: 2014

University of California-Davis Provost's First Year Fellowship: 2013

PREVIOUS RESEARCH EXPERIENCE

Stress and Development Lab, Harvard University

September 2018- January 2024

Laboratories of Paul Hastings and Amanda Guyer,

June 2013- September 2018

UC Davis Center for Mind and Brain

Laboratory of Wendy Mendes, UC San Francisco

June 2017-September 2017

Laboratory of Silvia Bunge UC Berkeley Psychology

August 2012- May 2013

Laboratory of Adrian Raine, USC Psychology

August 2005- December 2006

SCIENTIFIC CONSULTING/ADVISING

Chorus Wellnes Inc.
Scientific Advisor

April 2022-March 2023

OTHER COMMUNITY WORK

UC Davis Department of Human Ecology Summer High School Research Program
Mentor

June 2017

Oliver Wendell Holmes Junior High School. Davis, CA
Cross Country Coach, Basketball Coach

August 2014 – October 2015

SERVICE

CNBS Representative to the University Student Learning Outcomes Assessment Committee, California State University Dominguez Hills (2026-2027)

Member, Center for Affective Neuroscience, Development, Learning and Education at the University of Southern California (USC CANDLE) Advisory Board

Dissertation Committee Member, University of Southern California, Neuroscience (2024-2025)

Psychology Department Curriculum Committee (2025-2026)

Leader of Faculty Development Center workshop, Empowering Student Scholars: Mentorship Strategies that Work, October 6, 2025

Panelist on Faculty Panel on Funding Research, New Faculty Success Program, April 11, 2025

Psychology Department Search Committee (2024)

Institutional Review Board Member, California State University, Dominguez Hills (2024-2026)

Scholarship Committee, California State University, Dominguez Hills, Psychology Department (2024-2025)

Social Committee, California State University, Dominguez Hills, Psychology Department (2024)

Graduate Committee, California State University, Dominguez Hills, Psychology Department (2024-2026)

Mentor for the McNair Scholars Program, California State University, Dominguez Hills (2024, 2026)

Mentor for the Prospective PhD and RA Event in Psychology (PPREP), Harvard (2022, 2023)

Organizing Committee for the Innovators in Cognitive Science seminar series (2020-2022):
<https://innovatorsincogneuro.github.io/>

Ad Hoc Peer Reviewer for National Science Foundation CAREER Awards (2021, 2023)

Peer Reviewing for Society for Research in Child Development Biennial Meeting (2019, 2023)

Mentor for the UC Davis Summer Poverty Research Engagement Experience (2017)

Founding member of the Psychology Graduate Student Diversity Committee, UC Davis (2013)

Psychology Ambassador to the Graduate Student Association, UC Davis (2012)

PROFESSIONAL ORGANIZATIONS

Association for Psychological Science: 2014-present

American Psychological Association: 2013-present

Society for Affective Science: 2022-present

Society for Research on Adolescence: 2015-present

Society for Research in Child Development: 2014-present

The International Congress for Integrative Developmental Cognitive Neuroscience (Flux Society): 2014-present

University of California Consortium on the Developmental Science of Adolescence: 2015-2018

TRAININGS AND CONFERENCES ATTENDED

Bay Area Affective Science Meeting, San Francisco, CA, June 2026

Society for Affective Science Annual Conference, Pittsburgh, PA, March 2026

Society for Neuroscience. Neuroscience 2025. San Diego, CA. November, 2025.

Flux Congress, Dublin, Ireland, September, 2025.

Society for Affective Science Annual Conference, Portland, OR, March 2025

Community Anti-Drug Coalitions of America (CADCA) Mid-Year Training Institute, Chicago, IL. July 2024

International Conference on Urban Mental Health, Amsterdam, Netherlands, March 2024

Mental Health First Aid Training, Completed November 2023

Flux Congress, Santa Rosa, CA, September 2023

Society for Affective Science Annual Conference, Long Beach, CA, April 2023

Flux Congress, September 2021

Society for Biological Psychiatry, April 2021

Society for Research in Child Development Biennial Meeting, April 2021

Society for Epidemiological Research Annual Meeting, December 2020

Flux Virtual Congress, September 2020

Society for Research in Child Development Biennial Meeting, Baltimore, MD: March, 2019

American Psychosomatic Society Mid-year meeting, Berkeley, CA: October, 2017

University of California Consortium on the Developmental Science of Adolescence Summer Institute, Los Angeles, CA: August 2017

Society for Research in Child Development Biennial Meeting, Austin, TX: April, 2017

Society for Research on Adolescence Biennial Meeting, Baltimore, MD: April, 2016

University of California Consortium on the Developmental Science of Adolescence, Berkeley, CA: August 2015

Society for Research in Child Development Biennial Meeting, Philadelphia, PA: March, 2015

Flux Congress, Hollywood, CA: September, 2014

Association for Psychological Sciences Annual Meeting. San Francisco, CA: May, 2014.

National Institute of Health Analysis of Functional NeuroImaging (AFNI) Bootcamp. Bethesda, MD: December, 2013.
